4.0 REPORT OF BUSINESS OPERATIONS & INNOVATIONS OF MKCL

MKCL PROFILE

1. Introduction:

Incorporation:

Maharashtra Knowledge Corporation Limited (MKCL) is a public limited company promoted and established by the Department of Higher and Technical Education, Government of Maharashtra and was incorporated on August 20, 2001 under the Companies Act, 1956.

In order to make the capabilities of MKCL available to all the Departments of Government of Maharashtra, governmental coordination of the affairs of the company has been handed over from January 05, 2018 to the General Administration Department (GAD) from Department of Higher & Technical Education. Subsequently, it was allocated to Directorate of Information Technology under GAD.

Transformative Agenda:

Keeping in view the rapid emergence of knowledge-based society and knowledge-led economy on the global scale and recognizing that actionable knowledge is increasingly becoming synonymous to wealth, MKCL is dedicated to the cause of bridging the **Knowledge Divide** and resultant **Development Opportunity Divide** faced by the common people in general and youth and school students in particular.

The vision of MKCL, therefore, is to create new value-based paradigms in education, governance and empowerment of common people in the context of rapidly emerging knowledge-based society and knowledge-led economy and consistent with development opportunities therein.

As most of the new actionable knowledge is being digitally born (often through digital collaborations), digitally stored, digitally presented, digitally distributed, digitally accessed, digitally archived and managed and in many cases even applied digitally for socio-economic progress, it becomes absolutely essential to pursue the transformative agenda of bridging the Knowledge Divide and resultant Development Opportunity Divide by first helping the common people in effectively bridging the **Digital Divide**.

Unique Identity:

The major challenge before MKCL in pursuing this agenda of bridging these new divides is to offer appropriate solutions and services for accessing education, governance and empowerment opportunities appropriate to emerging knowledge era by a large and diverse population with world-class quality, at a very affordable cost, with widest accessibility from metros to rural, tribal and hilly areas and in just-in-time manner with a deeper personalized service experience on a mass-scale.

In other words, these six simultaneous challenges or mission objectives of MKCL for transformation in the fields of digital literacy, education, governance and empowerment may be summarized as **Bigger, Better, Cheaper, Faster, Wider and Deeper!**

In order to address all these six challenges simultaneously, MKCL uses two solvers viz. to simultaneously become **Smarter and Wiser**. In order to grow smarter in solving these challenges, MKCL right from its inception has recognized the transformative role of appropriate use of Information Technology as an equalizer, economizer, mass-scale enabler, accelerator, quality enhancer, mass-personalizer and an artificially intelligent (AI) partner. And in order to grow wiser and thereby avoid duplication of expenses, MKCL decided to forge several partnerships with organizations having complementary strengths so as to network all available resources such as infrastructural, financial, human, intellectual, educational, developmental, etc.

MKCL, therefore, has been continuously designing, developing and successfully deploying very imaginative, pervasive and appropriate applications of Information Technology for universalization of digital literacy, as well as for transforming education, governance and empowerment processes in particular and socio-economic transformative processes in general. As a result, MKCL has attained a unique identity as an organization capable of universalization and integration of Information Technology in all walks of life.

MKCL designs, develops and deploys state-of-the-art eLearning, eGovernance and eEmpowerment innovations, strategies, models, frameworks, technologies, products, processes, solutions and services at affordable costs for the common people. All of them are comparable to the best globally available options in terms of architecture, price to performance, outreach,

customer delight and environmental sensitivity.

With its range of products and services in the field of eLearning, eGovernance and eEmpowerment, MKCL has emerged as a **Fast-track IT Enabler / IT Integration Partner / Business Process Re-Engineering Partner and Knowledge Partner** of the educational institutions ranging from private organizations, schools to universities as well as of the government, semi-government and community/voluntary organizations and mission mode project organizations.

Equity Profile:

The Government of Maharashtra and ten public Universities in the State of Maharashtra are among the initial equity holders of MKCL. While the Government of Maharashtra has 37% stake, the Universities have 33% and autonomous bodies, educational institutions, training centers, social organizations, SMEs, directors, ex-directors, employees, ex-employees and others have remaining 30% stake.

Board of Directors:

The Board of Directors of MKCL normally consists of three nominees of the Government of Maharashtra, two Vice-Chancellors from among the shareholding Universities, six eminent experts from various sectors of knowledge as the independent directors and the Managing Director. The Board meets normally once in a quarter and reviews quarterly performance of the company, offers feedback, decides on policies and offers guidance for future development of the company.

Strategic Advisory Committee:

MKCL's Strategic Advisory Committee (**MSAC**) consists of eminent experts from various disciplines such as IT industry, industry, agro-industry, agriculture, environment, scientific research and development, educational technology, psychology, art and culture, finance, etc. All the Board members as well as a few members of MKCL staff selected by the Board are invitees to MSAC. MSAC meets normally once in six months and reviews major accomplishments of the company and offers strategic inputs for future development of the company.

Financial Self-sustenance:

In spite of having Government as a major stakeholder, MKCL does not receive any funding, grant-in-aid or financial assistance, loans or monopoly business contracts from the government. It has been established as an unaided organization. All along MKCL has maintained an unbroken record of a self-sustaining, wealth-creating and ever-growing enterprise. It has also maintained an unbroken record of paying decent dividends every year to the government and other stakeholders right from its inception.

Compliance to Standards:

The Company is certified for **ISO 9001:2015 Certification, ISMS Certification (ISO 27001:2013) and CMMI Level 3 Certification.**

Organizational Structure - MKCL Programs:

MKCL's transformative agenda driven by its well defined vision and mission is implemented by organizing its functions under various autonomous programs and allocating resources to them. These programs specialize in certain domains of expertise vis-a-vis customer requirements. They enjoy reasonable autonomy in their functioning. However, they maintain strong collaborative relationship and complementarity among themselves for overall benefit of all stakeholders.

Intra-program and inter-program financial transactions are regulated and properly accounted regularly in order to monitor sustainability and profitability of each individual program and of the company as a whole.

Each program consists of set of certain time-bound projects and related continuing operations. Normally only such projects and operations are brought under one program which if coordinated together will ensure optimum resource utilization and maximum customer delight.

Each program has a Program Leader, Program Coordinator, Program Manager and Team Members.

The programs are divided into two groups viz. Enabling Programs for back-end work and Business Development Programs for front-ending with customers. Both groups of programs are enlisted below. The various functions under Corporate Management Program are also enlisted below:

- Archival of Records

In order to devolve powers and responsibilities, ensure participative democratization, collective thinking and decision making, improve transparency in the company and develop future managers and leaders, certain corporate and technical/business functions are regulated/supported by Teams and Committees enlisted below:

Teams:

- MKCL's Apex Coordination Team (MACT/APEX)
- MKCL's Key Management Team (MKMT)
- MKCL's Center Management Team (MCMT)
- MKCL's Materials & Services Procurement Team (MSPT)
- Solution Architects Team (SAT)
- Associate Solution Architects Team (ASAT)

Committees:

- Disciplinary Committee
- Employee Recruitment and Remuneration Committee
- Investment and Compliance Committee

- Internal Complaints Committee
- Infrastructure Development and Maintenance Committee
- Network Partnerships Management Committee

2. MKCL's Business

MS-CIT - Bridging the Digital Divide:

The emerging information technology revolution has given rise to a globally connected society. This society is generating exceeding 90% of the new actionable knowledge digitally and collaboratively. The ability to use digital technologies is, therefore, critical for developing and accessing new actionable knowledge and accessing new careers and new development opportunities resulting out of the new knowledge.

Those who are denied the access to the information technology shall, thus, be deprived of the opportunities of the new world and shall face the crisis of Digital Divide in addition to economic divide, social divide, gender divide, etc.

In order to bridge the digital divide, bring the common people closer to the ethos and opportunities of the knowledge society and knowledge-led economy and with a view to bringing the real fruits of Information technology to the masses for their survival, development and empowerment, MKCL conducts **Maharashtra State- Certificate in Information Technology (MS-CIT)** course in the state of Maharashtra, since 2002. MS-CIT attempts to propagate IT Awareness, IT Literacy, IT Competencies and IT Applicability among the common people with a view to bridge the Digital Divide and the resultant Knowledge Divide and Development Opportunity Divide. MS-CIT has thus emerged as a gateway to careers and global developmental opportunities to the common people.

The curriculum of MS-CIT has been structured on following nine pillars of **most essential digital skills** for smart use of not only laptops and desktops but also smart phones and other mobile devices:

1. Basic IT Awareness
2. 21st Century Daily Life Skills
3. 21st Century Citizenship Skills
4. 21st Century Study Skills
5. 21st Century Office Skills
6. 21st Century Scripting Skills
7. Smart Typing Skills
8. Cyber Security Skills & Netiquettes
9. Ergonomics and Go Green

The implementation of MS-CIT is not only a mission to bridge the digital divide but also a large-scale and unique educational transformation. It has been the result of continuous blend of **pedagogic innovations, technology innovations, partnership innovations, entrepreneurial business innovations and social accountability innovations**. This is a unique example of blend of five mega-trends of 21st century viz. **digitization, virtualization, mobilization, mass-Personalization and glocalization**.

During last 16 years, more than 12 Million (1.2 crore) Learners have registered themselves for this course and have become smart users of IT. This is perhaps the world's highest record in the field of bridging the Digital Divide among the masses and promoting Digital Citizenship among them. MS-CIT brand has thus become synonymous with digital empowerment of common people of Maharashtra in their personal, professional and social life.

MS-CIT Learners include school students and college youth, job readiness seekers and first job aspirants, next/better job seekers and second inning aspirants, parents and teachers, employees and officers from government/semi-government sector, private sector, cooperative sector, voluntary/social sector, doctors and engineers, architects and designers, lawyers and accountants, writers and poets, artists and craftsmen, journalists and media persons, professionals and businessmen, entrepreneurs and intrapreneurs, farmers and workers, women and senior citizens, activists and representatives of public, etc.

Government of Maharashtra has also issued a Government Resolution stating that MKCL's IT literacy course viz. MS-CIT, is also one of the essential eligibility criteria for recruitment to the posts of Grade A, Grade B and Grade C in all the Government Departments and semi- government organizations in the Maharashtra state. Government of Maharashtra has given equivalence of more than 80 courses to MS-CIT. However, MS-CIT has been the preferred choice of Lakhs of Learners every year.

MKCL's IT literacy course has many versions outside Maharashtra such as BS-CIT in Bihar, HS-CIT in Haryana, KLIC-IT, MICIT in Saudi Arabia and Egypt, OS-CIT in Odisha. All these courses put together have enrollment exceeding 15 million (1.5 crore) learners over last 16 years.

MKCL's Network of Authorized Learning Centers (ALCs) - Expanding the Outreach:

In order to facilitate such a large number of MS-CIT learners in various parts of the state, MKCL has established about **5000+ Authorized Learning Centers (ALCs)** under its unique public-private-partnership framework. With the help of these network partners, MKCL offers wide accessibility of its services to the masses with uniform coverage in metros, cities, semi-urban areas as well as rural, tribal and hilly areas of the state. In order to improve the outreach, a few temporary satellite centers are also added to the network for the convenience of larger number of learners registering in the summer vacation.

These 5000+ ALCs are equipped with state-of-the-art computing infrastructure on LANs with their own 5000+ proxy servers backed up by MKCL's formidable, scalable and secure server farm infrastructure on cloud with server virtualization and dynamic load balancing technologies and **about 75,000 personal computers at ALC's**. These computers are equipped with state-of-the-art operating systems, antivirus software, application software and broadband internet connectivity. MKCL has also installed Bio-metric finger-print recognition devices at all the ALCs for learner identity and attendance management. All the personal computers at all the ALCs are also being equipped on behalf of MKCL with the state-of-the-art web-cameras for operationalizing the evidence-based learning and assessment framework. These two facilities help MKCL Network emerge as **one of the largest and most reliable evidence-based Online Testing Facilities**. All these machines are managed online and supported remotely through MKCL's **IT Assets Management Framework viz. WORM and Unified Call Assistance and Support Tracking (UNICAST) system**. All the personal computers at all the ALCs are also being equipped on behalf of MKCL with the state-of-the-art head phones for eLearning.

The paperless management of this world's largest network of IT learning centers is facilitated by MKCL's homegrown web-based software framework- viz. **SOLAR**. This framework seamlessly facilitates a complex management of inter-related **learner administrative life-cycles, center life-cycles, channel partner life-cycles and course/ business activity life-cycles** including the management of financial transactions through 5000+ net banking accounts and ALC wallets.

Apart from marketing, promotion, counseling, sales and academic services, the network partners have regularly participated in common marketing fund contribution for optimization of marketing expenses while avoiding duplications and expanding the outreach. All the network partners ensure compliance to brand specification guidelines so as to achieve MS-CIT Brand Persistence and Brand Enhancement. All the network partners are also regularly participating in frequent online polls for taking various crucial business and academic decisions in an open, transparent, democratic and participative manner.

MKCL is constantly and carefully nurturing this network for last 15 years. As a part of the nurturance activities, **PPF Awards** are given to consistent performers of the decade. Similarly, all 5000 ALC coordinators have been covered under **Medical Insurance and Accident Insurance**. In addition to these welfare measures, many academic and business excellence awards have been given to deserving ALCs. Microsoft and Adobe licenses have also been distributed to eligible ALCs. All these initiatives of MKCL have built an atmosphere of confidence and mutual trust between MKCL and 5000 ALCs spread over the entire state.

A rigorous definition of Model ALC has been synthesized through series of discussions and brainstorming sessions at various levels. The continuous, comprehensive and online assessment of ALCs is carried out on these critical performance indicators and sub-indicators in each financial year. Accordingly, Model Centers are selected on the basis of various performance criteria by using MKCL's Accreditation Framework.

Learning Facilitators - Enriching High-Tech Learning with Human Touch:

Over a period of time, our **25,000+ trainers /learning facilitators** have discovered that they do not get displaced by eLearning technology if they are ready to play a very creative role of an interactive coach where this technology reaches its limits. This offers them more meaningful and satisfying co-existence with technology and sets them free from traditional teaching and assessment drudgery. This also makes overall learning process more affordable and self-replicable. A creative involvement of more than **25,000** certified and periodically re-certified trainers/learning facilitators helps MKCL's education system assume a desirable blend of **high-tech with human touch**. The eLearning technology and the human touch of learning facilitators together achieve incredible results!

The Learning Facilitators are rigorously trained in creating eLearning content on locally relevant case studies of applications of various IT tools to be added in curriculum.

MKCL's ERA - Taking eLearning to the Grass-roots:

MKCL's homegrown eLearning platform viz. **ERA** (eLearning Revolution for ALL) is probably the world's most light-weight Learning Management System (only 9 MB). ERA contains following elements:

- Course Designers' Paradise - Distributed Factory for eContent Development
- eContent Distribution and Management System
- eLearning Environment and Process Management System for Learners' learning Life-cycle Management
- eAssessment Management System
- Instant eEvaluation and eCertification System for diagnostic, formative and summative assessments and
- Learner Performance Analytics for further improvements in content, environment and processes deployed for learning and assessment

MKCL's ERA perhaps, is the largest eLearning facility with largest user-base in India operating in a stable manner at the grass-roots for over 16 years. It has overcome the barriers of long power outages on one hand and traditional and difficult-to-break teacher-centric mindsets on the other. ERA platform today is not just accepted but highly sought after by millions of learners across all age groups including even the senior citizens because of the unique underlying pedagogy / andragogy of Inform-to-Perform and Perform-to-Transform approach as against the traditional emphasis on only inform type of teacher centric education system. The success of ERA lies in the uniqueness of integrated unfolding of Learning Content, Learning Process and Learning Environment.

Due to the implementation of technologically facilitated and personalized but sequential and guided Process of Learning, ERA has also emerged as a framework for global and local monitoring of every step of academic progression of millions of learners. The vast amount of continuously logged and securely maintained academic progression data of learners (with the IP addresses of the computers being used by them at that time) has emerged as a rich and trustworthy repository for Big Data Learner Analytics, research, reporting and continuous improvement of quality of learning and assessment. It has also improved the traceability, verifiability, falsifiability and overall transparency in learning and continuous assessment of each learner across the state-wide network.

The uniqueness of MKCL's IT Literacy and Functionality skill building approach is in its emphasis of not just imparting differential skills but in its periodic punctuation of hundreds of non-obvious "Take-a-Challenge" situations and then imbibing integral skills with global best practices. The learner is then exposed to several real-life "Take-a-Bigger Challenge" situations and "Take-a-Grand Challenge" situations with ab initio step-by-step creation of hundreds of simple and complex socially useful and productive outputs by gradually using and mastering preliminary as well as advanced features of various office tools and other IT applications.

MKCL's innovations in eLearning - Enhancing Self-Learning and Self-Paced Learning:

1. Parity with various international standards such as Microsoft Standards, International Computer Driving License (ICDL), European Computer Driving License (ECDL), National Educational Technology Standards, ISTE Standards, Global Digital Literacy Course Standards, etc.
2. Natural sequence of learning breaking the traditional boundaries of tool-based topics.
3. Situation based content in the form of hundreds of real life situations.
4. Fork and Join Construct in sequential learning to offer in parallel the different case studies (but containing same concepts) for different interest groups among learners.
5. Guided eProcessfolio feature in ERA: Previously the learners used to develop socially useful outputs by using software tools and publish them in their ePortfolio in ERA. Now they can record the complete process of development of the socially useful outputs along with their own voice and video commentary guided by the system along each step performed and can publish it on YouTube server. As a result, the learner's performance can be viewed and assessed by anybody from anywhere and at any time wherein one can see learner's screen showing the step-by-step process of development of output along with a small window on bottom right corner (picture-in-picture/PIP mode) showing the video of the learner while s/he was developing that output and simultaneously giving commentary on how s/he is developing that output. Thousands of Learners have published their eProcessfolios on YouTube for evidence-based assessment by potential employers.
6. BlackBox Monitoring Tool which stores snapshots of screen and learner at regular time-intervals in the form of evidences of activities of the learner inside the computer and outside for deciding upon his/her presence in lab and ethical participation in assignments and tests. A collage is automatically created based on the snapshots captured which is further used to analyze each snapshot using the face detection algorithms.
7. Guided Do-It-Yourself (DIY) facility to help learners learn constructively and freely and yet rendering his/her performance observable in the background and admire him or guide him contextually.

8. Ask Live Expert (ALEX) facility with a 5 stage gradual support system to remote learners through eLearning framework
9. Course Designer's Paradise: MKCL has developed an in-house Learning Content Management System (LCMS) which uses an Artificial Intelligence (AI) based engine for smart course creation and content integration in the course from a repository of Re-Usable Learning objects (RLOs).
10. Clicker Based Classroom Interaction which helps in increasing participation of each and every learner in a class-room with higher degree of engagement. It provides an attendance-cum-learning tracking mechanism in a class-room. Each learner is required to bring an old mobile phone without sim card and without internet for every class-room session. With MKCL's app, the phones are repurposed as clickers. They are connected to teacher's laptop by a local wi-fi access point in a classroom. This app prompts the teacher/learning facilitator to avoid his/her continuous monologue in a class-room session by frequently punctuating his/her content delivery with intermittent questions to continuously assess the learning of the participants, say after every 5 minutes. The clicker responses of all learners to all the intermittent questions posed by the teacher/learning facilitator are captured, analyzed and presented online to the entire class on a screen as well as on the screens of individual mobile phones of the learners used as clickers. It helps the teacher improve the quality of his/her delivery in response to learners' performance. At the end of the class-room session the system gives learners' and teacher's performance data for further analysis and improvement by both.
11. Link Videos are given as a part of classroom content for each activity in the course for invoking curiosity in minds of learners and improve engagement.

(and not book-centric or information-centric) vocational education approach. During the course, the learners are trained to produce **Socially Useful and Productive Work (SUPW)** as enshrined in Mahatma Gandhi's "*Nayi Taleem*". The learning process is so designed that it begins with work, from the work, learner derives knowledge and then applies that knowledge to produce wholesome work. Thus, the learner development continues on an ever evolving upward spiral. KLiC Courses try to develop earning potential through **(L)earning!**

These learners are assessed by using **MKCL's Evidence-Based Assessment System** which enables assessors to evaluate the skills of the remote assesses. This upward spiral continues to take the learner to higher levels of excellence and enhances his/her employability, knowledge, confidence and self-esteem. KLiC Courses are recognized by the Yashwantrao Chavan Maharashtra Open University (YCMOU). So far more than 3,00,000 learners have undergone various KLiC Courses.

MS-ACIT - Developing 21st Century Teachers

Empowering **Teachers** with 21st Century teaching skills is main purpose behind this initiative. Offerings include the skills which will transform a School Teacher to eSchool Teacher with effective and efficient use of Information and Technology. This course covers 21st Century Skills to make teachers ready to perform different roles as a 21st -Century Teacher.

Course gives exposure to different digital skills and new ways of Teaching- Learning modes. The course is designed in order to make sessions interactive and interesting. The engaging eLearning technology makes the Teachers ready for eTeaching methodologies.

Learners are introduced to various features and tools like sticky notes and snipping tool, connecting to Wi-Fi, connecting external devices to laptop, connecting projector to laptop and tablet, flipping tab based classroom, making students engaged with questioning, engaging students with exciting tools, using class debates to foster students' engagement, creating groups on Google Classroom, sharing large files with students, creating video from PowerPoint, changing audio-video format online, watching TED Talk, enrolling in EdX courses, searching free online courses, learning foreign language online, etc.

EASY - Offering 21st Century Earning Assistance Services to Youth:

In order to encourage especially the rural and semi-urban youth to pursue careers in the knowledge-based economy, MKCL awards KLiC Diploma Certificate to KLiC learners who successfully complete minimum 4KLiC Certificate Courses, preferably in a particular track.

The KLiC Diploma holders are being further developed in the area of Digital Freelancing so as to ensure decently rewarding, locally pursuable and globally relevant careers with earning opportunities in the virtual freelancing space. This is a modest step and yet another experiment of MKCL in bridging the opportunity divide.

Instead of indefinitely waiting for a placement in a company, a KLiC learner can start modest earning through freelancing if s/he is adequately trained and facilitated. In case of especially meritorious women from rural and semi-urban areas, this may prove to be an empowering boost in the context of their inability to leave homes and travel daily to workplaces or leave native places and migrate to big cities for a job.

In order to accomplish this ambitious objective of **Earning Revolution for All** (a new full form of ERA!) a software framework called **EASY (Earning Assistance Services to Youth)** has been developed to train these KLiC learners to actually perform in a mock freelancing digital market place and earn money as well as self-confidence to enter into digital freelancing.

Meritorious learners are being given digital freelancing opportunities by MKCL through EASY and they are suitably rewarded by MKCL subject to actual delivery of artifacts strictly meeting the stipulated quality and delivery periods. A facilitation and fulfillment team has been created for guiding KLiC Learners spread across the state and for handholding with them for their successful entry into the exciting world of digital freelancing.

In addition to EASY framework for self-employment through freelancing, MKCL's Career for You framework is used for placement of learners in industry.

MKCL emerging as a Knowledge Partner for State Skill Development Missions:

Based on last 16 years of conscious effort of **knowledgizing the products and processes and productizing the knowledge** in the form of above mentioned models and their software incarnations, MKCL could become the successful bidder and has been recognized as Knowledge Partner of **Bihar Skill Development Mission (BSDM) of the Government of Bihar**.

With the help of MKCL, BSDM is implementing two programs viz. Domain Skilling Program wherein the hard skills courses approved by various sectoral skill councils are implemented and Kushal Yuva Program ('KYP'), a flagship program of Bihar Government under its '**Saat Nishchay**' (Seven Resolves).

MKCL Finishing Schools - Mainstreaming Work-Based Learning:

MKCL since 2013-14 has been working on Work-based Learning model through MKCL Finishing Schools (MFS). MKCL in partnership with some of the leading corporates in the IT Enabled Services (ITES) / Business Process Management (BPM) sector such as Tata Business Support Services Ltd., WNS Global Services Pvt. Ltd., Titan Company Ltd., etc. implements '**Role based and Work & Performance Centric**' Degree Programs recognized by Yashwantrao Chavan Maharashtra Open University. Currently three such 3 year degree programs are conducted. Bachelor of Business Administration i.e. BBA for ever-growing service sector, BSc. In Computer System Administration i.e. B.Sc. (CSA) for Hardware and Networking sector.

These are very innovative "**learn while you earn**" type of degree programs in which normally students from rural and economically disadvantaged sections of the society are selected on merit basis and given internships in these corporates in the area of BPM/ Computer system administration. They are acquiring knowledge through actual work in the company and applying this knowledge to make the work more profound and wholesome. It is recognized by giving them work credits having 50% weightage in the degree program. End-of-the-day reflection sessions by senior members are integral part of the educational process and have proven very effective for the students to derive knowledge from the work done during the day.

MFS Work-based Learning model attempts to solve the problem of attrition in the corporates, problem of unemployment among the youth, problem of relevance of degree program in the universities vis-à-vis the needs of industry and problem of social unrest among the educated but unemployed youth as faced by the government and society.

MKCL's Knowledge Lit Careers Development Program (KLCDP) ensured reach of MFS - Work-based Degree Programs to youth at local level by forging partnerships with more than 100 Industry Partners across the state. This led to a pool of over 2200 internship/job opportunities in SMEs as well as the MNCs across the state cutting across various sectors.

MFS Graduates have been effortlessly receiving relevant and rewarding jobs and careers in well-known industries with higher starting salary by giving due weightage to their 3 years of work experience while pursuing the degree program.

Educational Transformation Program also focused on development of new curriculum in the areas of Livelihoods and Sustainable Development, Natural Resources Management, ICT Education Coordination, etc.

MKCL's Mastering Series:

MKCL offers a truly online as well as an ALC-based quasi-online mock testing series with instant online assessment and automated personalized feedback service under its brand - viz. **MASTERING**. It is a facility available almost anytime, anywhere.

These mock eTests series have chapter-wise tests, combo-tests as well as full paper tests for various competitive examinations for admissions and recruitment such as **JEE/CETs for engineering, medical, GATE, MPSC/UPSC, Banking Selection, National/State Teachers' Eligibility Tests, Group B, C selection, Computer Typing, First year Engineering Students, Police /Gramsevek/Talathi**. Also for School Students, preparation of various competitive examination such as Scholarship Exam for 5th & 8th Standard students, MTSE, NTSE, etc. It is not just a low cost but a high academic quality offering. Each multiple choice option in the answers of thousands of questions is a well-designed conceptual distractor rather than an option being either obviously correct or arbitrarily wrong. All options are non-obvious, all of them appear to be correct and the wrong ones among them point out the conceptual gaps of the learners erroneously selecting them. The learners can, therefore, be counseled by the system for improvement by providing necessary academic inputs. The test series is thus not just formative but diagnostic and corrective.

MKCL's Digital University:

Under its Digital University and Digital College software frameworks, MKCL now offers direct student facilitation services to **17 universities, 6000 colleges and 1million+ students every year**. The footprint of Digital University has now also been consolidated in Gujarat and is expanding in Haryana, etc.

Digital University is essentially a software framework for seamless management of life-cycles of millions of students, thousands of institutions and tens of thousands of courses/credits. The digitally empowered students' life-cycle management is the core of this framework. It offers eServices at affordable costs to millions of students at all stages throughout their university life-cycle **right from the student online admissions up to the award of degrees and placement assistance**.

It is one of the most highly scalable, integrated, seamless and end-to-end Educational eGovernance Framework in Indian Higher Education Sector and has applicability to Open and Distance Learning (ODL) Sector as well involving **Open Universities and Distance Education Directorates/Departments** of traditional Universities.

During this year certain new features, modules and functionalities have been added to Digital University Framework:

- DU Mobile App for Students
- Online Admissions with customization for Distance Education
- Instant Processing of Eligibility/Enrollment using HSC Board Data
- Automation in Exam Form Generation
- Secured Remote Delivery of Question Papers
- Absent/Unfair Means Entry Provision at Venues
- Assessment Data Entry Date Validation
- Communicating Student Results on Mail by Video Statement of Marks/Grades
- Multiple Attractive Resume Templates for Students' Job Applications
- First Jobs Portal for Student Placement
- Various Dashboard for University Authorities for Decision Making
- Ph.D. Life Cycle Management System

Being well architected and parameterized, this framework is also applicable for the **Educational eGovernance of the School Networks** such as SSC, HSC, CBSE Boards or Parent Bodies with large number of affiliated schools for their online School life-cycle management, course life-cycle management and student life-cycle management at very affordable cost and with high quality.

MKCL's OASIS:

MKCL, under its Online Application Solutions and Integrated Services (MKCL's OASIS) brand, offers end-to-end **online admission, online examination** with instant results, online selection based on instant merit-list generation, online

scholarships disbursements, **online recruitments**, CRM, government scheme implementation services to **2.5 million+ students/ applicants/ candidates/ beneficiaries every year**. The cumulative count of OASIS applicants over last 13 years has exceeded the **17.5 million** mark. OASIS framework is currently being used in 8 states (Bihar, Chhattisgarh, Gujarat, Haryana, Maharashtra, Odisha, Rajasthan and Tripura).

MKCL's OASIS Framework together with the ERA Online Evaluation Framework has been used for online admissions and online entrance tests in a fast-track, transparent and affordable manner for **B.E./B.Tech. M.E./M.Tech., Medical, Pharmacy, Architecture, MBA, MCA, D.Ed., B.Ed, M.Ed, B.P.Ed, M.P.Ed., Law courses, ITI**, various Diplomas, various Centralized admissions of **UG & PG** courses and Ph. D. courses over a decade.

MKCL's OASIS Framework supports several government departments, staff selection commissions, local self-government agencies, semi-government organizations, universities, directorates, boards, educational institutions, banks, public, private and cooperative sector employers, etc. for their IT-enabled recruitments in a fast-track manner and with effective outreach to the masses on a state-wide scale including rural, tribal and hilly areas through MKCL Network.

MKCL's OASIS has offered erstwhile inaccessible higher education opportunities and job opportunities to thousands of needy youth from all these areas in an affordable and transparent manner.

MKCL's eGovernance Software Initiatives:

- **MKCL's Swarajya** - A next generation mGovernance model backed by comprehensive software framework, single State Resident Database (SRDB) with departmental APIs for state governments to automatically offer through a mobile app about 300 governmental services, certificates and benefits of welfare schemes anywhere-anytime directly to millions of citizens based on their dynamically changing eligibilities and entitlements without they specifically applying for and even without they specifically knowing about the very existence of such schemes.
- **MKCL's MahaLabharthi** - MahaLabharthi is developed to bridge the severe communication gap between government with hundreds of precious welfare schemes, Benefits, Subsidies and Entitlements on one hand and millions of poor and deprived citizens on the other who are quite unaware of their welfare schemes /entitlements in spite of cell-phones/smart phones in their hands. All benefits and entitlements are presented not as a repulsive heap of general and unusable information of schemes but in an absolutely personalized and citizen-welfare-centric manner. It generates a comprehensive list of benefits specifically applicable to and easily understandable by the individual citizen whose profile has been submitted to the portal. The list gets dynamically modified with elapse of time or with introduction of new schemes, discontinuation or changes in existing schemes or as and when the profile is updated by the citizen. Hon'ble Chief Minister of Maharashtra has launched this portal through his CMO portal. CMO has also given wide publicity through its social media handle. Once the list of benefits is generated the portal also guides the citizens on how to access or acquire the benefits. Thousands of citizens have registered on the portal so far.
- **MKCL's Secured eTendering System - MKCL's SeTS** is a proven solution for eProcurement and eAuctioning and is being used by many Public, private and co-operative Sector Undertakings over last decade for procurement of good and services exceeding about **8 Billion+ US Dollars (Rs.51,556 Crores+)** in a transparent and secure manner with significant reductions in procurement life-cycles and procurement costs. This solution, apart from being applicable to individual companies, is also being preferred by sector-wise associations of various industry verticals to cut down the cost of raw materials by the periodic collective/group procurement for their members.
- **MKCL's Digital Legislature Framework** - MKCL has also designed and developed a comprehensive framework for eGovernance of **Maharashtra Legislative Secretariat (MLS)** and several sessions of Maharashtra Legislative Assembly and Council have been successfully managed through this framework.
- **Government Employee Transfer System** - A system is developed for transfers of Government Employees of various departments in a transparent and personalized manner by giving them postings based on their choices of locations and fulfillment of certain eligibility conditions. The system can be customized for any type of Government Department. The transfer drive is run through few stages as per transfer policy of the department, during which complex processing is carried out. Finally employees receive their transfer orders digitally along with integrated joining and relieving systems, with a completely transparent allocation log.

- **Cillage Development Program** - About 500 domestic water purifiers with silver nano-technology produced by MKCLKF have been procured and distributed to the ALCs in Pune region for providing clean and pure drinking water to the MS-CIT learners on pilot basis.
- **A campaign to protect learners from heat stroke** - In anticipation of extreme heat during summer due to climate change an educative campaign was planned well in advance. It aimed at protecting about 5 lakhs MS-CIT Learners

of the summer batches from heat strokes. The campaign for prevention of heat strokes was carried out at all MS-CIT ALCs. As a part of the campaign an informative pamphlet in Marathi explaining how to protect oneself from heat stroke was distributed to all learners. Its loud reading in all MS-CIT ALCs was arranged. It explained critical importance of adequate water and salt intake before going out of home during day time. Along with the pamphlet a free packet of 30 sachets of 'Nimboo Paani' powder containing essential salts and other desirable ingredients was distributed to all learners with a request to dissolve it in water and drink every day before going out. This caring gesture of MKCL touched the hearts of all learners and their parents. They widely expressed their gratitude with their pictures with the packets on social media. Not a single case of heat stroke among the learners was reported in spite of cities like Chandrapur attaining world's highest temperature.

- **Book Gifts to ALCs** - Marathi biography of Professor M. S. Swaminathan titled '*Dhyas Bhookmukticha*' and other few useful books have been gifted to all ALCs for the benefit of MS-CIT and KLiC learners through the ALC libraries.
- **Release of TIFAC's Report on Education & Technology** - MKCL organized a two-day brainstorming conference on 'Education & Technology' along with the release of the report. It was attended by eminent experts from all over India.
- **Vedh** - MKCL Supported an event to celebrate 80th birthday of 3 eminent Marathi Women Authors viz. Pratibha Ranade, Uma Kulkarni and Veena Gawankar.
- **Dharmakosh** - MKCL has given technical and financial support to Dharmakosh Project of Pradnya Pathshala Mandal, Wai for completing the development and publication of online version of four out of forty-four volumes Dharmakosh free on internet.
- **Digital Incarnations of Indian Cultural Symbols** - MKCL values the traditional Indian designs and art. It, therefore, initiated a movement of creating and publishing in freely distributable form the digital incarnations of various Indian cultural symbols and designs. This initiative will help preserve and also introduce the great Indian heritage through its designs and artifacts to the younger generation to come in the years ahead. This movement aims at making available to people various Indian artifacts in 3D digital forms as well rendering globally popular symbols and designs in traditional Indian styles. These digital designs can be popularized for their use in icons, logos, web interfaces, etc.

4. MKCL Catalyzing Youth Empowerment:

Apart from offering the eLearning, eGovernance and eEmpowerment services to millions of citizens in the state, leading to enhancement of their employability, upward mobility and social status, MKCL's state-wide network of 5000 centers has also provided opportunities of **direct self-employment, employment and co-employment to about 40,000+ youth** in Maharashtra and other states in the field of IT training, marketing and counseling, learning facilitation, center coordination, hardware and network maintenance, IT enabled services facilitation, etc. at these centers in their native places by avoiding forced migration to big cities. Generation and sustenance of numerous indirect employment opportunities over last 16 years are yet other spin-offs of MKCL networks in many states. There exists a significant percentage of women among this youth.

MKCL has also created many **internship opportunities** for youth such as Software Development Internships, Digital Creations Internships, User Interface/ User Experience (UI/UX) Design Internships, Internships through MKCL Finishing Schools in MKCL and in many corporates in ITES/BPM sector, 150+ Marketing Internships in all districts of Maharashtra for promotion of MKCL's products and services and internships for operating Student Facilitation Centers (SFCs) and College Facilitation Centers (CFCs) in various universities implementing MKCL's Digital University Framework.

5. MKCL in India:

With a view to offer the benefits of MKCL's intellectual property, proven pedagogy, state-of-the-art technologies, innovative business models, best practices, academic course offerings in eLearning mode for enhancing employability, various IT-enabled solutions and services in education, governance and empowerment sectors to the masses outside Maharashtra at very affordable prices but with high quality, MKCL has established Joint Venture Companies with the various State Governments.

Rajasthan Knowledge Corporation Limited (**RKCL**), Odisha Knowledge Corporation Limited (**OKCL**) and Haryana Knowledge Corporation Limited (**HKCL**) are notable examples of such collaborative endeavors. All these joint ventures are self-sustaining and wealth creating with remarkable positive social impact in digital empowerment of common people in these states. Apart from establishing the validity of MKCL's vision and model outside Maharashtra, these JVs have also proven to be a modest source of earning for MKCL, largely by way of royalty on various IPRs of MKCL.

MKCL has won the tender and signed a 5 year contract with **Bihar Skill Development Mission (BSDM)** in July 2016 for performing the role as Knowledge Partner and Implementation Support Partner for **Kushal Yuva Program** for skilling the youth of Bihar for job readiness. In last 21 months more than 4 lac youth have been successfully trained through MKCL's

ERA LMS in **Digital Skills, English Language Skills, Communication Skills and Soft Skills**. MKCL's model of Kushal Yuva Program is emerging as a de-facto standard of **skilling for 21st century job readiness** in India. As a result, it is under active consideration of skill development missions of many state governments.

As a spin-off of this project with BSDM, MKCL has also emerged as a Software Provider for Skill Development Mission Management Framework (SDMMF) for state governments. Assam Skill Development Mission (ASDM) is actively considering to procure it.

MKCL's unique model of **work-based learning (WBL)** leading to earn-and-learn degree certifications has been successfully implemented in Maharashtra over last 6 years with **Yashwantrao Chavan Maharashtra Open University (YCMOU)**. **Tamil Nadu Open University (TNOU)** and **Odisha State Open University (OSOU)** is actively considering to adopt the said model. It is under active consideration of a few other state open universities in India. NITI Aayog has strongly recommended the same for consideration of Indira Gandhi National Open University for nation-wide implementation.

In addition to the above mentioned developments, MKCL also regularly and successfully propagates/ implements many of its digital frameworks, products, solutions and services in other states of India viz. Andhra Pradesh, Assam, Bihar, Chhattisgarh, Goa, Gujarat, Jharkhand, Karnataka, Madhya Pradesh, Manipur, Tamil Nadu, Telangana, Tripura and Uttar Pradesh.

6. MKCL Worldwide:

With a view to propagate the rich repertoire of its intellectual property, MKCL has also created joint ventures abroad through its subsidiary viz. MKCL International FZE, Sharjah, UAE. 'MKCL Arabia Ltd' is Joint Venture in Saudi Arabia. MKCL Arabia's extended branch is in Egypt by the name 'MKCL Arabia Egypt Ltd'.

'Supreme Council of University' (SCU), the apex body formed by the Ministry of Education in Egypt. SCU, after having done thorough scrutiny of MKCL's MICIT course has given its accreditation to this course. MICIT has been included in the list of courses where other international companies are already offering courses for several years. The course has gained so much popularity in such a short span in time that there are thousands of learners enrolled for this course.

In addition, MKCL has also hosted a few of its eLearning courses on the popular eLearning market-place viz. **Udemy** by satisfying all the international standards and specifications. In a very competitive environment of Udemy offering multiplicity of exercisable options, MKCL courses are preferred by **learners from 120 countries** and have received learners' average rating of 4.5 out of 5.0. About one third of the total number of learners of MKCL courses are from USA. Thus, MKCL's International Business has now also become online while expanding the footprint of its offline business.

Independent Auditor's Report

**To the Members of
Maharashtra Knowledge Corporation Limited**

Report on the Financial Statements

We have audited the accompanying financial statements of '*Maharashtra Knowledge Corporation Limited*' which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the (Standalone) financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its Profit/Loss and its Cash Flow for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement

on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by section 143 (3) of the Act, we report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. the Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - d. in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of written representations received from the directors as on March 31, 2018 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
 - g. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

“Annexure A” to the Independent Auditors’ Report

Referred to in paragraph 1 under the heading ‘Report on Other Legal & Regulatory Requirement’ of our report of even date to the financial statements of the Company for the year ended March 31, 2018:

- 1)
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of its fixed assets.
 - (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In accordance with this programme, certain fixed assets were verified during the year and no material discrepancies were noticed on such verification. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets.
 - (c) The title deeds of immovable properties are held in the name of the company.
- 2)
 - (a) The management has conducted the physical verification of inventory at reasonable intervals.
 - (b) The discrepancies noticed on physical verification of the inventory as compared to books records which has been properly dealt with in the books of account were not material.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (c) of the Order are not applicable to the Company and hence not commented upon.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security.
- 5) The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) As informed to us, the maintenance of Cost Records has been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company and the same have been maintained properly by the company.
- 7)
 - (a) According to information and explanations given to us and on the basis of our examination of The books of account, and records, the Company has been generally regular in depositing Undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, Service Tax, Good and Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2018 for a period of more than six months from the date on when they become payable.
 - (b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, Good and Service Tax, duty of customs, duty of excise, value added tax outstanding on account of any dispute except as mentioned under Note No. 2.29 on Contingent Liabilities.
- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.
- 9) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- 10) Based upon the audit procedures performed and the information and explanations given by the management, we report that no fraud by the Company or on the company by its officers or employees has been noticed or reported during the year.
- 11) Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the

provisions of section 197 read with Schedule V to the Companies Act;

- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- 14) Based upon the audit procedures performed and the information and explanations given by the management, the company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Company and hence not commented upon.

“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of Maharashtra Knowledge Corporation Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Maharashtra Knowledge Corporation Limited (“the Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained including the Report on Internal Financial Control by Independent Professionals are sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

NOTES ON ACCOUNTS

1. SIGNIFICANT ACCOUNTING POLICIES

I. BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

The accompanying financial statements of the Company are prepared in accordance with the Generally Accepted Accounting Principles (GAAP) applicable in India, under historical cost convention and on the accrual basis. The financial statements are presented in Indian rupees rounded off to the nearest rupees in lacs.

GAAP comprises mandatory accounting standards issued by the Institute of Chartered Accountants of India (“ICAI”) and the provisions of the Companies Act, 2013.

II. USE OF ESTIMATES

The preparation of financial statement in conformity with GAAP requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of financial statement, and the reported amounts of revenue and expenses during the reported year. Actual results could differ from those estimates which are recognized in the period in which the results are known/ materialized.

III. REVENUE RECOGNITION

a. Income from Programs

Knowledge Lit Skill Development Program (KLSDP) and Network Partnerships Management Program (NP-MP)

Course Fees from MS-CIT, MS-ACIT, KLiC, Mastering and others primarily consist of revenue accrued based upon number of learners registered on web-based SOLAR application of the Company during the current accounting period.

Course Fees, Exam Fees and Re-exam Fees from MS-CIT and KLiC courses are recognized on the basis of learners registered on web - based SOLAR application.

Revenue under Network Partnerships Management Program (NP-MP) has been regrouped under Knowledge Lit Skill Development Program (KLSDP).

Renewal Fees and New Center Registration fees collected from centers are recognized on accrual basis and on confirmations received from web-based SOLAR application.

Digital University - Business Development Program (DU-BDP)

Revenue from Digital University Business Development Program is recognized as per the count confirmations of admissions received from the web - based Digital University application.

OASIS Business Development Program (OASIS-BDP)

Revenue from Admission/Recruitment Projects is recognized as per the count confirmations of admissions and recruitment received from the web - based OASIS application.

Mission Mode Skill Development Program (MSDP)

Income under this program is recognized on the basis of learners registered and other relevant data for revenue booking received from the web-based SOLAR application.

International Business Development Program (INT-BDP)

Income is recognized on accrual basis and 100% royalty income is booked on admission confirmation.

b. Income from MKCL offerings on nationwide scale has been included under the respective Business Development Programs. Accordingly re-grouping of Revenue appearing under Nationwide Business Development Program (N-BDP) has been done for last year. Also, similar treatment is given with respect to the direct expenses appearing under Nationwide Business Development Program (N-BDP).

c. Other Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding/invested and the interest rate applicable.

Income from investments in liquid rate funds is recognized upon receipt of income from the respective fund.

IV. EXPENDITURE

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

Charges relating to non-cancelable long-term operating lease are computed on the basis of lease rentals payable as per the relevant lease agreement and recognized as expense.

The company is handling and facilitating the contribution done by its network partners which is intended for doing common marketing - regional/specific location wise as mutually agreed amongst them. Accounting related to such transactions are not brought in to the Companies Profit and Loss account and they are accounted as Balance Sheet items. Such common marketing contribution expenses are accounted, incurred and paid for as and when they actually happen, by the company.

V. FIXED ASSETS

Fixed assets are stated at cost less accumulated depreciation. Cost for the purpose includes cost of acquisition, installation, duties and taxes, and other incidental expenses incurred during acquisition, construction or installation of fixed assets. Computers include software purchased. Land acquired on lease for 99 years or less is treated as leasehold land.

VI. DEPRECIATION

The depreciation is charged based on the useful lives of various Tangible assets as specified under Part-C of Schedule II of The Companies Act, 2013. Schedule II prescribes indicative useful lives of various assets instead of Straight Line Method (SLM)/ Written Down Value (WDV) rates for calculating depreciation. Useful life is the period over which an asset is expected to be available for use by an entity. Depreciation for assets purchased/sold/discarded during the period is proportionately charged.

For depreciation on Intangible assets the rates are applicable as per the provisions of the Accounting Standard on WDV basis.

Cost of leasehold land for 99 years or less is amortized over the remaining lease period.

VII. FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions on initial recognition in the reporting currency are accounted for at the exchange rates prevailing on the date of transaction.

Foreign exchange gain or loss, resulting on account of reinstatement of monetary items on the date of balance sheet using exchange rate as on the date of Balance Sheet is recognized as income or expense for the period.

Exchange differences arising on the company's net investment in foreign subsidiary being a non-integral foreign operation are accumulated in a Foreign Currency Translation Reserve until the disposal of such investment, at which time they are recognized as income or as expense.

VIII. EMPLOYEE BENEFITS

Employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

The company contributes to a Provident Fund, which is a defined contribution plan, and is charged to Statement of Profit and Loss.

The Company provided for gratuity, a defined benefit retirement plan covering all employees. It has subscribed to the Group Gratuity Plan of Life Insurance Corporation of India. The Plan provides for a lump sum payment to employees at retirement, death, incapacitation or termination of service; of an amount based on the respective employee's last drawn salary and tenure of employment. Liability with regard to Gratuity Plan is accrued based on actuarial valuation at the Balance Sheet date, carried out by an independent actuary. Actuarial gain or loss is recognized immediately in the statement of Profit and Loss as income or expense.

Leave encashment liability is provided on the basis of leave outstanding to the credit of employees at the Balance Sheet date.

IX. DISCLOSURE OF TRANSACTIONS WITH RELATED PARTIES

Related Party disclosures have been set out in the following statement. The related parties, as defined by Accounting Standard 18 'Related Party Disclosures' issued by The Institute of Chartered Accountants of India, in respect of which the disclosures have been made, have been identified on the basis of disclosures made by the key managerial persons and taken on record by the Board.

X. TAXES ON INCOME

Tax expenses for the year comprise of current tax and deferred tax.

Current taxes are measured, at the amounts expected to be paid in respect of taxable income for the period, using the applicable tax rates and tax laws.

Deferred Tax Liability is recognized subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent period.

Deferred Tax Assets is recognized only when it is certain that there is sufficient future income against which such deferred tax asset can be realized.

Outstanding Bank Guarantees for		
- Performance guarantee for services given	116.90	1.00
Total Contingent Liabilities	116.90	1.00

- 1 Performance bank guarantees aggregating to Rs.590 lacs were invoked by BSNL, unilaterally. In our opinion, such action of M/s. BSNL was not justifiable and tenable and hence the company had challenged the action of M/s. BSNL by invoking appropriate legal recourse. Arbitration proceeding in this matter had been initiated as per the order of Honorable Civil Court, Pune. The Company had filed a Special Civil Suit on 10th April, 2012 in the Honorable Court of Pune against M/s. WICeNeT Ltd. regarding the counter Indemnity Bond given by M/s WICeNeT Ltd to Maharashtra Knowledge Corporation Ltd. in respect of the Performance Bank Guarantee given by Maharashtra Knowledge Corporation Ltd. to M/s. BSNL, which is invoked. The total claim amount in the said suit is Rs.583 lakhs.

During the current financial year, judgment dated 9th October, 2017 has been passed with respect to the arbitration proceeding in the above mentioned matter regarding encashment of the Performance Bank Guarantee by M/s BSNL aggregating to Rs.590 lakhs.

As per the award dated 9th October, 2017, M/s. BSNL is allowed Rs.325.34 lakhs out of their total claims and to return Rs.264.66 lakhs (Rs.590 lakhs - Rs.325.34 lakhs) to MKCL, within three months from the date of Award. So far the balance amount of Rs.264.66 lakhs has not been received by MKCL. This receivable amount is shown under note no 2.11.

- 2 The Company has gone into appeal against the 143(3) order issued by the Income Tax Department for F.Y. 2009-2010 i.e. for A.Y 2010-2011. The Income Tax demand raised in the 143 (3) order of Rs.14.27 lakhs, against this the company has already paid Rs.7.00 lakhs, as a pre-requisite for going into appeal. Appeal order has been passed but the final liability is yet to be ascertained by the assessing officer so the balance amount of demand of Income Tax of Rs.7.27 lakhs is of contingent nature.

- 3 In the F.Y. 2016-17 Audit by the Service Tax Department (Pune) was done for the period April 2011 to March 2015. Based on their Audit the Service Tax Department had issued a show cause notice on 4th April.17 w.r.t some disallowance of services claimed as exempt by the Company & raising a demand of Rs. 51,32,754/-.

The company had given its reply to the show cause notice giving all the facts, mentioning all provisions of the Service Tax Act under which the said services are exempt. The hearing against this show cause took place during the year and the order of the Central GST, Pune II Commissionerate is passed, wherein it says that the show cause notice is not sustainable and deserve to be set aside and the service tax demand is also not sustainable.

NOTE NO 2.30

INVESTMENT IN LIQUID RATE INCOME FUND

Company has shown investment in Liquid Rate Income Fund under Cash and cash equivalents in this year as against its disclosure under Investments in previous year. As the amounts lying in Liquid Rate Income Fund can be withdrawn / invested on, as and when required basis.

NOTE NO 2.31

Directors have recommended for approval of the members a final dividend of Rs.2.50 i.e 25% per Equity Share of Rs.10/- each of the Company out of profits of the Company for the financial year ended as on 31st March 2018. The dividend if declared would result in cash outflow of Rs.202.00 lacs and tax on dividend of Rs.35.87 lacs, which if approved in the forthcoming Annual General Meeting, will be paid to those members whose names, will appear in the Register of Members as on that date.

Independent Auditor's Report on Consolidated Financial Statements

To
The Members of
Maharashtra Knowledge Corporation Limited

Report on the Consolidated Financial Statements

We have audited the accompanying financial statements of **Maharashtra Knowledge Corporation Limited** (hereinafter referred to as "the Holding company"), and its subsidiaries (the holding company and its subsidiaries together referred as "The Group") its associates which comprise the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss, Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Holding Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and the audit evidence obtained by other auditors in terms of their reports referred to in sub paragraph (a) of the other matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Holding Company as at March 31, 2018, and its Consolidated Profit/Loss and its Consolidated Cash Flow for the year ended on that date.

Other Matters

- a. We did not audit the financial statements/financial information of one subsidiary, whose financial statements/financial information reflect total assets of Rs.2218.82 Lakhs as at 31st March, 2018, total revenues of Rs.721.11 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management.
- b. The consolidated financial statements also include the Group's share of net profit/(loss) of Rs. 931.60 Lakhs for the year ended 31st March, 2018, as considered in the consolidated financial statements, in respect of two associates, whose financial statements/financial information have not been audited by us. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiaries and associates, is based solely on the reports of the other auditors.
- c. The consolidated financial statements also include the Group's share of net profit/(loss) of Rs. 221.97 Lakhs for the year ended 31st March, 2018, as considered in the consolidated financial statements, in respect of one associate, whose financial statements/financial information have not been audited by us. These financial statements/financial information are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries and associates, is based solely on such unaudited financial statements/financial information. In our opinion and according to the information and explanations given to these unaudited financial statements which have been included in consolidation of financial statements, these financial statements/financial information are not material to the Group.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements/financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), as amended, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143 (3) of the Act, we report that
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b. in our opinion proper books of account as required by law have been kept by the Holding Company so far as it appears from our examination of those books;
 - c. the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account

- 5) The Holding Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable.
- 6) As informed to us, the maintenance of Cost Records has been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the Holding company and the same have been maintained properly by the Holding company.
- 7) (a) According to information and explanations given to us and on the basis of our examination of the books of account, and records, the holding Company has been generally regular in depositing undisputed statutory dues including Provident Fund, Employees State Insurance, Income-Tax, Sales tax, GST, Service Tax, Duty of Customs, Duty of Excise, Value added Tax, Cess and any other statutory dues with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2018 for a period of more than six months from the date on when they become payable.
(b) According to the information and explanation given to us, there are no dues of income tax, sales tax, service tax, GST, duty of customs, duty of excise, value added tax outstanding on account of any dispute except as mentioned under Note No. 2.29 on Contingent Liabilities.
- 8) In our opinion and according to the information and explanations given to us, the Holding Company has not defaulted in the repayment of dues to banks. The Holding Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.
- 9) Based upon the audit procedures performed and the information and explanations given by the management, the holding company has not raised moneys by way of initial public offer or further public offer including debt instruments and term Loans. Accordingly, the provisions of clause 3 (ix) of the Order are not applicable to the Company and hence not commented upon.
- 10) Based upon the audit procedures performed and the information and explanations given by the management of the holding company, we report that no fraud by the Holding Company or on the Holding company by its officers or employees has been noticed or reported during the year.

- 11) Based upon the audit procedures performed and the information and explanations given by the management of the holding company, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act;
- 12) In our opinion, the Company is not a Nidhi Company. Therefore, the provisions of clause 4 (xii) of the Order are not applicable to the Company.
- 13) In our opinion, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 and the details have been disclosed in the Financial Statements as required by the applicable accounting standards.
- 14) Based upon the audit procedures performed and the information and explanations given by the management of the holding company, the holding company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Accordingly, the provisions of clause 3 (xiv) of the Order are not applicable to the Holding Company and hence not commented upon.
- 15) Based upon the audit procedures performed and the information and explanations given by the management of the holding company, the holding company has not entered into any non-cash transactions with directors or persons connected with him. “Annexure B” to the Independent Auditor’s Report of even date on the consolidated Financial Statements

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Maharashtra Knowledge Corporation Limited (“the Holding Company”) as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained including the Report on Internal Financial Control by Independent Professionals for Standalone Company are sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be

detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on “the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”.

NOTES FORMING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018.

NOTES ON ACCOUNTS

1. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Consolidation:

- a. The Consolidated Financial Statements (“CFS”) relate to Maharashtra Knowledge Corporation Limited (“the Company” or “the Parent Company”) with its Foreign Subsidiary namely MKCL International (FZE), Indian subsidiary namely MKCL Knowledge Foundation and with its Indian Associate Companies namely Rajasthan Knowledge Corporation Limited, Haryana Knowledge Corporation Limited and Odisha Knowledge Corporation Limited collectively referred to as “the Group”.
- b. The CFS has been prepared in accordance with the Accounting Standard (AS) 21 “Consolidated Financial Statements”, and Accounting Standard (AS) 23 “Accounting for investments in Associates in Consolidated Financial Statements” issued by the institute of Chartered Accountants of India.

B. Principles of Consolidation:

- a. The financial statements of the Company and its subsidiary companies has been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances/transactions and unrealized profits or losses.
- b. In case of foreign subsidiary, being non integral foreign operations, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognized in the Exchange Fluctuation Reserve.
- c. Investments in associate companies in which the Company has significant influence but not a controlling interest, are reported according to the equity method. The carrying amount of the investment is adjusted for the post acquisition change in the group’s share of net assets of the investee. The Consolidated Statement of Profit and Loss includes the Company’s share of the results of the operations of the investee.

I. BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

The accompanying financial statements of the Company are prepared in accordance with the Generally Accepted Accounting Principles (GAAP) applicable in India, under historical cost convention and on the accrual basis. The financial statements are presented in Indian rupees rounded off to the nearest rupees in lacs.

GAAP comprises mandatory accounting standards issued by the Institute of Chartered Accountants of India (“ICAI”) and the provisions of the Companies Act, 2013.

II. USE OF ESTIMATES

The preparation of financial statement in conformity with GAAP requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of financial statement, and the reported amounts of revenue and expenses during the reported year. Actual results could differ from those estimates which are recognized in the period in which the results are known/ materialized.

III. REVENUE RECOGNITION

a. Income from Programs

Knowledge Lit Skill Development Program (KLSDP) and Network Partnership Management Program (NP-MP)

- b. Income from MKCL offerings on Nationwide scale has been included under the respective Business Development Programs. Accordingly re-grouping of Revenue appearing under Nationwide Business Development Program (N-BDP) has been done for last year. Also similar treatment is given with respect to the direct expenses appearing under Nationwide Business Development Program (N-BDP).

- c. Other Income

Interest income is recognized on a time proportion basis taking into account the amount outstanding/invested and the interest rate applicable.

Income from investments in liquid rate funds is recognized upon receipt of income from the respective fund.

IV. EXPENDITURE

Expenses are accounted for on accrual basis and provision is made for all known losses and liabilities.

Charges relating to non-cancelable long-term operating lease are computed on the basis of lease rentals payable as per the relevant lease agreement and recognized as expense.

The company is handling and facilitating the contribution done by its network partners which is intended for doing common marketing - regional/specific location wise as mutually agreed amongst them. Accounting relating to such transactions are not brought in to the Companies Profit and Loss Account and they are accounted as Balance Sheet items. Such Common marketing contribution expenses are accounted, incurred and paid for as and when they actually happen, by the Company.

V. FIXED ASSETS

Fixed assets are stated at cost less accumulated depreciation. Cost for the purpose includes cost of acquisition, installation, duties and taxes, and other incidental expenses incurred during acquisition, construction or installation of fixed assets. Computers include software purchased. Land acquired on lease for 99 years or less is treated as leasehold land.

VI. DEPRECIATION

The depreciation is charged based on the useful lives of various Tangible assets as specified under Part-C of Schedule II of The Companies Act, 2013. Schedule II prescribes indicative useful lives of various assets instead of Straight Line Method (SLM)/Written Down value (WDV) rates for calculating depreciation. Useful life is the period over which an asset is expected to be available for use by an entity. Depreciation for assets purchased/sold/discarded during the period is proportionately charged.

For depreciation on Intangible assets the rates are applicable as per the provisions of the Accounting Standard on WDV basis.

Cost of leasehold land for 99 years or less is amortized over the remaining lease period.

VII. FOREIGN CURRENCY TRANSACTIONS

Foreign currency transactions on initial recognition in the reporting currency are accounted for at the exchange rates prevailing on the date of transaction.

Foreign exchange gain or loss, resulting on account of reinstatement of monetary items on the date of balance sheet using exchange rate as on the date of Balance Sheet is recognized as income or expense for the period.

Exchange differences arising on the company's net investment in foreign subsidiary being a non-integral foreign operation are accumulated in a Foreign Currency Translation Reserve until the disposal of such investment, at which time they are recognized as income or as expense.

VIII. EMPLOYEE BENEFITS

Employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits and are recognized in the period in which the employee renders the related service.

The company contributes to a Provident Fund, which is a defined contribution plan, and is charged to Statement of Profit and Loss.

The Company provided for gratuity, a defined benefit retirement plan covering all employees. It has subscribed to the Group Gratuity Plan of Life Insurance Corporation of India. The Plan provides for a lump sum payment to employees at retirement, death, incapacitation or termination of service; of an amount based on the respective employee's last drawn salary and tenure of employment. Liability with regard to Gratuity Plan is accrued based on actuarial valuation at the Balance Sheet date, carried out by an independent actuary. Actuarial gain or loss is recognized immediately in the statement of Profit and Loss as income or expense.

Leave encashment liability is provided on the basis of leave outstanding to the credit of employees at the Balance Sheet date.

IX. DISCLOSURE OF TRANSACTIONS WITH RELATED PARTIES

Related Party disclosures have been set out in the following statement. The related parties, as defined by Accounting Standard 18 'Related Party Disclosures' issued by The Institute of Chartered Accountants of India, in respect of which the disclosures have been made, have been identified on the basis of disclosures made by the key managerial persons and taken on record by the Board.

X. TAXES ON INCOME

Tax expenses for the year comprise of current tax and deferred tax.

Current taxes are measured, at the amounts expected to be paid in respect of taxable income for the period, using the applicable tax rates and tax laws.

Deferred Tax Liability is recognized subject to the consideration of prudence, on timing differences, being the difference between taxable incomes and accounting income that originate in one period and are capable of reversal in one or more subsequent period.

Deferred Tax Assets is recognized only when it is certain that there is sufficient future income against which such deferred tax asset can be realized.

CONTINGENT LIABILITIES

(In Rupees Lacs)

Particulars	For the year ended 31 st March, 2018	For the year ended 31 st March, 2017
Outstanding Bank Guarantees for - Performance guarantee for services given	116.90	1.00
Total Contingent Liabilities	116.90	1.00

1 Performance bank guarantees aggregating to Rs.590 lacs were invoked by BSNL, unilaterally. In our opinion, such action of M/s. BSNL was not justifiable and tenable and hence the company had challenged the action of M/s. BSNL by invoking appropriate legal recourse. Arbitration proceeding in this matter had been initiated as per the order of Honorable Civil Court, Pune. The Company had filed a Special Civil Suit on 10th April, 2012 in the Honorable Court of Pune against M/s. WICENeT Ltd. regarding the counter Indemnity Bond given by M/s WICENeT Ltd to Maharashtra Knowledge Corporation Ltd. in respect of the Performance Bank Guarantee given by Maharashtra Knowledge Corporation Ltd. to M/s. BSNL, which is invoked. The total claim amount in the said suit is Rs.583 lakhs.

During the current financial year, judgment dated 9th October, 2017 has been passed with respect to the arbitration proceeding in the above mentioned matter regarding encashment of the Performance Bank Guarantee by M/s BSNL aggregating to Rs.590 lakhs.

As per the award dated 9th October, 2017, M/s. BSNL is allowed Rs.325.34 lakhs out of their total claims and to return Rs.264.66 lakhs (Rs.590 lakhs - Rs.325.34 lakhs) to MKCL, within three months from the date of Award. So far the balance amount of Rs.264.66 lakhs has not been received by MKCL. This receivable amount is shown under note no 2.11.

2 The Company has gone into appeal against the 143(3) order issued by the Income Tax Department for F.Y. 2009-2010 i.e. for A.Y 2010-2011. The Income Tax demand raised in the 143 (3) order of Rs.14.27 lakhs, against this the company has already paid Rs.7.00 lakhs, as a pre-requisite for going into appeal. Appeal order has been passed but the final liability is yet to be ascertained by the assessing officer so the balance amount of demand of Income Tax of Rs.7.27 lakhs is of contingent nature.

3 In the F.Y. 2016-17 Audit by the Service Tax Department (Pune) was done for the period April 2011 to March 2015. Based on their Audit the Service Tax Department had issued a show cause notice on 4th April.17 w.r.t some disallowance of services claimed as exempt by the Company & raising a demand of Rs. 51,32,754/-.

The company had given its reply to the show cause notice giving all the facts, mentioning all provisions of the Service Tax Act under which the said services are exempt. The hearing against this show cause took place during the year and the order of the Central GST, Pune II Commissionerate is passed, wherein it says that the show cause notice is not sustainable and deserve to be set aside and the service tax demand is also not sustainable.

NOTE NO 2.30

Investment in Liquid Rate Income Fund

Company has shown investment in Liquid Rate Income Fund under Cash and cash equivalents in this year as against its disclosure under Investments in previous year. As the amounts lying in Liquid Rate Income Fund can be withdrawn/ invested on, as and when required basis.

NOTE NO 2.31

Directors have recommended for approval of the members a final dividend of Rs.2.50 i.e 25% per Equity Share of Rs.10/- each of the Company out of profits of the Company for the financial year ended as on 31st March 2018. The dividend if declared would result in cash outflow of Rs.202.00 lacs and tax on dividend of Rs.35.87 lakhs, which if approved in the forthcoming Annual General Meeting, will be paid to those members whose names, will appear in the Register of Members as on that date.
